### **WHAT IS "HERITAGE LAB"?**

.....

Heritage Lab workshop aims to gather students from different academic fields such as architecture, cultural heritage, sociology, anthropology and ethnology who are passionate about the cultural heritage of our country and at the same time have the will to learn how to preserve and interpret it.

Heritage Lab will offer the students the opportunity to listen to lectures by foreign and local experts in the field of 1. Conservation - Revitalization of Historic Buildings and 2. Storytelling and Signage. In addition to lectures, students will be doing practical/field work through which they will learn the methods of conservation of historic buildings, revitalization according to modern needs and interpretation of cultural heritage. The field work will be carried out at the Mill of Frrok Dokiqi which eventually will be conserved-revitalized, and Letnicë village which through Storytelling and Signage will be interpreted for the public.

Heritage Lab workshop will be held from 10-22 October in the village of Letnicë in Kosovo.
