WHAT IS "HERITAGE LAB"?

.

HERITAGE LAB is an educational project organized by CHwB Kosovo aiming to create new opportunities for students of different fields to learn about methods of documentation, preservation, revival and interpretation of cultural heritage through "hands on" practical work and complementary lectures. HERITAGE LAB is an activity developed "in situ", so that the problems of a heritage site are surveyed directly and the solutions for its treatment, interpretation and management are given at the same time.

In this edition of Heritage Lab "Discovering and Presenting the Archaeology in the Cathedral of Our Lady of Perpetual Succor students will be able to learn about the various methods of archaeological excavations, contemporary tools for the documentation of the findings, conservation of archaeological structures and interpretation of the site for the audiences.
